I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: After trying to use pill, patch and gel forms of
estrogen, I found that I got the most relief through compounded
Est Estrogen. I have continued to feel great after 2 years!
